Fun and Games

When people gather, they look for ways of entertaining themselves. Forms of entertainment form an important part of a community. With this Learning Kit, students will explore how fun and games played a part in community life, and how entertainment has changed over time.

Vocabulary Words

- Hopscotch
- Jackstraws (jacks)
- Stereoscope
-

Activity Ideas

- make posters to advertise past or present entertainment events in the city
- re-create toys and games from Regina's early history
- make a Fun and Games themed time capsule – what can you show people from the future about how we entertain ourselves today?
